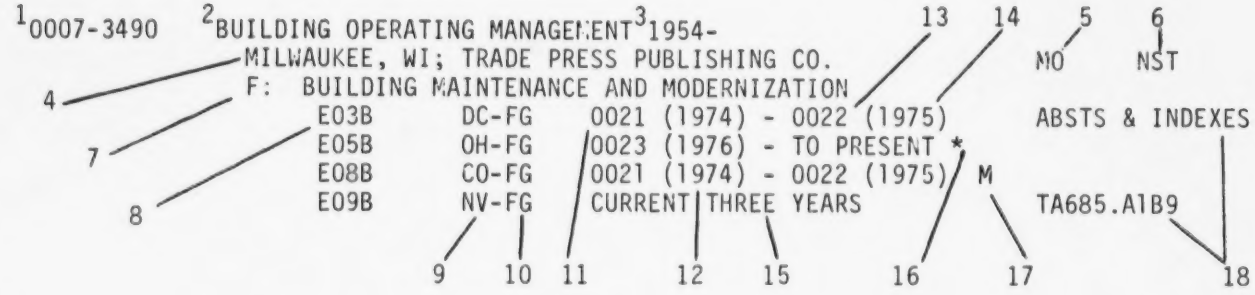
Introduction

This is the sixth annual Journal Holdings Report of the Library System of the U.S. Environmental Protection Agency Information Resources and Services Branch. It represents the holdings of all EPA libraries. The report includes approximately 3,300 titles and 8,840 holdings records.

Library code numbers have been assigned according to geographical location, based on the EPA regional structure. The "A" library is always the regional library, the "B," "C," etc., are assigned to other libraries located in the same geographic region.

The Journal Holdings Report is arranged alphabetically by title. A sample entry follows:



1 - International Standard Serial Number
2 - Journal Title
3 - Birth/Death Dates
4 - Publisher and Place
5 - Current Frequency
6 - Source Where Data Verified
7 - Title History
8 - Library Code
9 - State
10 - Type of Organization (FG = Federal Government)
11 - Beginning Volume
12 - Beginning Year
13 - Ending Volume
14 - Ending Year
15 - Holdings Statement
16 - * (Missing Issues)
17 - M (Holdings in microform)
18 - Call Number/Shelf Location
